2015 Frontiers in Undergraduate Research Poster Exhibition
Instructions for Student Presenters

Thank you for your participation in the 18th Annual Frontiers Undergraduate Poster Exhibition. The following information will help you prepare for this event. Please read carefully.

Presentation dates and times are as follows:
- Friday, April 10, 2015 from 3:30 p.m. to 4:30 p.m. (followed by reception; see p. 2)
- Saturday, April 11, 2015 from 11:30 a.m. to 2:00 p.m.
All presenters **MUST** check in at the South Reading Room prior to the presentation start time.

The campus-wide Open House for prospective UConn students (already accepted) and their families will be held on Saturday, and we anticipate a large audience for this exhibition. You will be expected to stay with your poster to answer questions (unless you have already discussed with OUR an unavoidable absence from campus that will make it impossible for you to be present for both days of the exhibition).

**Nametags:** We will provide all student presenters with a name tag at check **each day**.

**Poster Display:** All presentations will be set up poster-style in the Wilbur Cross Building’s North and South Reading Rooms. The Exhibition Hall space and the hallway between the North and South Reading Rooms will also be used. You will be able to set up your poster display between 2:30 p.m. - 5:00 p.m. on Thursday, April 9th or between 9:00 a.m. - 2:30 p.m. on Friday.

- **All Posters must be set up and ready by 2:30 p.m. on Friday, April 10th. Your poster must be displayed until 2:00 p.m. on Saturday, April 11th.**
- **You are required to present both days.**

If you have any questions or concerns about meeting your obligations, please contact Mrs. Jodi Eskin (Jodi.eskin@uconn.edu).

For advice on poster design, contact your advisor(s); many faculty members will be familiar with poster formats used for national conferences in your discipline. Poster space is approximately 3 ft. 9 in. (vertical) by 6-ft. (horizontal) display. There is also 2-ft. of space below the poster stand if extra space is needed. The poster boards will be covered with navy blue paper as a background for your display.
Responsibilities: As a Frontiers participant, you are responsible for a professional display of your findings, methods, and conclusions to date. We will provide pins and staplers for you to mount your posters. A chair will be placed at each poster board.

- You must take down all of your presentation materials (including the blue background paper) and clean the area around your display after the conclusion of Frontiers at 2:00 p.m. on Saturday. You may not remove your poster before 2:00 p.m.
- The Office of Undergraduate Research is not responsible for any posters that are left by students. If you cannot be there to remove your own work, please make arrangements to have someone remove it for you.

Dress Code: As a Frontiers participant you will be representing the University of Connecticut at one of the largest showcase events on campus. You are expected to respect that privilege and dress in professional attire for your presentation. Acceptable attire includes: shirt and tie for men (jacket not required), skirt or dress slacks for women. Do not wear sneakers or flip flops.

Reception: A reception with remarks will be held in your honor on Friday, April 10, 2015 at 4:30 p.m. in the Wilbur Cross North Reading Room. Hot and cold hors d’oeuvres will be served. Your advisor has been invited to join us.

Drinks/Meals: Presenters will be provided with a box lunch on Saturday, April 11th. Lunches will be available in Wilbur Cross Room 111 at 12:00 p.m. Vegetarian lunches will be provided. If you require a gluten-free option, please email the OUR office at our@uconn.edu.

Volunteers: Volunteers are needed to help set up on Thursday, April 9th, 9:00 a.m. - 3:00 p.m. We also need volunteers to help breakdown the rooms immediately after the poster presentation on Saturday, April 11th. If you would like to volunteer for either one of these times please contact Mrs. Jodi Eskin at jodi.eskin@uconn.edu.

Thank you again for your presentations! We know your research is excellent. Frontiers gives all members of the UConn community a chance to see it, hear you talk about it, and congratulate you for your accomplishments!
