RESEARCH OR CREATIVE PROJECT

Project Title: _____

Briefly describe your project and your expected use of this award (maximum 4000 characters).

Faculty Advisor's Name: _____

Faculty Advisor's Email Address: _____

Faculty Advisor's Department: _____

Faculty Advisor's School/College: _____

BUDGET INFORMATION

Please itemize the total budget for your supply expenses. Please use the [Budget Worksheet](#) that is found on the OUR Supply Award page of the OUR website. While the maximum award is \$500, it is important for us to know the total cost of the project so we can assess the extent to which these awards are meeting student and faculty supervisor needs.

Total amount of funding requested: _____

Please upload the budget worksheet for your project. (PDF Format)

Please identify any other funding sources to which you have applied to support this research or creative project (e.g., Presidential Scholar enrichment funding, Rowe Scholar funding, departmental funding, etc.).

Please evaluate the importance of receiving OUR Supply Award funding to your ability to execute the research or creative project you described above.

- I could execute the project as described without OUR funding.
- I could execute some but not all of the project without OUR funding.
- I could not execute the project without OUR funding.

Are there additional factors in your background or life experience that would help you benefit from this award program? Discuss social, economic, educational, or other obstacles, if appropriate.

RESEARCH COMPLIANCE

Students are responsible for working with their faculty advisor and the Office of Research Compliance to ensure that their project has the approvals necessary to begin their research, and for submitting verification of this authorization to the Office of Undergraduate Research. Research approvals take time and require students to complete relevant training, so please plan accordingly.

You will be asked the following questions in the OUR Supply Award application. Not all questions may apply to you. For questions that do apply, please make note of the information and/or documentation you will need to provide.

Does your project involve research with human subjects? If “Yes,” you will be asked the following questions:

- Do you have the necessary IRB approval for this project?
- If “Yes,” please upload a PDF copy of your IRB approval letter. Note: If you are a student researcher on a faculty project, please upload a PDF copy of the PI’s approval letter AND a PDF copy of the validated Appendix A listing you as a student researcher on the project.
- If “No,” please outline your plan and timeline for obtaining IRB approval.

Does your project involve research with animal subjects? If “Yes,” you will be asked the following questions:

- Do you have the necessary IACUC approval for this project?
- If “Yes,” please upload a PDF copy of your PI’s IACUC approval letter and a PDF copy of Appendix C (with approval dates).
- If “No,” please outline your plan and timeline for obtaining IACUC approval.

Does your project involve the use of biological agents, toxins, and/or recombinant DNA (rDNA)? If “Yes,” you will be asked the following questions:

- Have you completed the appropriate laboratory safety training (through Environmental Health and Safety) for this type of work?
- If “No,” please outline your plan and timeline for completing the training.
- Does this biological research involve the use of recombinant or synthetic nucleic acid molecules that are covered by the NIH Guidelines?
- If “Yes,” please upload a PDF copy of your Faculty Advisor’s IBC approval letter.

Does your project involve the use of human embryonic stem cells and/or iPS cells? If “Yes,” you will be asked the following questions:

- Do you have the necessary SCRO approval for this project?
- If “Yes,” please upload a PDF copy of the SCRO Amendment letter which approves your addition as a student researcher on your faculty advisor/PI’s project.
- If “No,” please outline your plan and timeline for obtaining the necessary SCRO approval.
