PROPOSED SHARE PROJECT & PROJECT UPLOADS

The following section requests information about your proposed project and student apprentice/mentee.

Name of Student Mentee: _____

Title of Proposed Project: _____

Please upload one PDF file that contains your responses to the following questions.

1. Describe your proposed research project. (500 word maximum)

2. Describe the student mentee's role in your research project (including specific tasks s/he will perform and skills s/he will develop), your plan for supervising the student and monitoring his/her progress, and the expected outcomes of the project. (500 word maximum)

3. Why did you select this particular student as a potential research apprentice/mentee? Please address how participation in this project corresponds to this student's educational goals. (500 word maximum)

RESEARCH COMPLIANCE

This section asks questions regarding the necessary research approvals for your SHARE project. Faculty are responsible for ensuring that their SHARE project meets the requirements of and has necessary approvals from Research Compliance Services.

Does your project involve research with human subjects? If "Yes," you will be asked the following question:

- Do you have the necessary IRB approval for this project?
- If "Yes," please provide the IRB protocol number and expiration date. **NOTE**: Should your SHARE project be selected for funding, OUR will require a copy of the IRB approval letter as well as a copy of Appendix A listing the student researcher as study personnel by Monday, December 10, 2018.
- If "No," please outline your plan and timeline for obtaining IRB approval should your project be selected for funding. **NOTE:** You will be expected to submit documentation of IRB approval or of a *complete* IRB protocol submission by Monday, December 10, 2018 (the award acceptance deadline). Please plan your IRB timeline accordingly.
