<tr>
<td>Emory Research Partners Program</td>
<td>&quot;The Research Partners Program (RPP) RPP connects students interested in working on a research project with a faculty mentor who needs a research assistant. Students in the humanities, arts, social sciences, and sciences are encouraged to apply. Students have a unique opportunity to work closely on a faculty’s research project before the student undertakes her/his own independent research. This is a program that is geared towards students who are entering research for the first time and have minimal research experience.&quot;</td>
<td>Atlanta, GA</td>

Lincoln Park Zoo Research Internship Program

"The internship program is based in the Conservation & Science Department and offers a unique opportunity to conduct work in a variety of areas and gain valuable experience while being a part of the zoo’s team approach to research and management of small populations. Interns have the opportunity to conduct research projects under the guidance of staff scientists in one or more of the following areas: demography, population genetics, population modeling, animal behavior, animal cognition, epidemiology, endocrinology and conservation."

Chicago, IL
Varies, typically February
https://www.lpzoo.org/internships

Metropolitan Museum of Art Internship Program

"The Metropolitan Museum of Art offers internship opportunities for college and graduate students interested in careers in art museums. Based upon their academic training and interests, as well as the availability of projects, interns work in one of the Metropolitan’s departments—curatorial, education, conservation, administration, or library."

New York, NY
Varies

National Archives Center for Legislative Archives Internships

"Public outreach interns at the Center for Legislative Archives work on a variety of projects along with outreach staff that develop research and writing skills, expand students’ understanding of history, politics and government, and provide opportunities to explore a variety of career paths. Archival interns receive training from the Center’s archivists on a variety of projects."

Washington, DC
Currently no internships available
https://www.archives.gov/legislative/internship

National Ecological Observatory Network (NEON) Internship Program

"The NEON Internship Program is a summer work experience at NEON headquarters in Boulder, CO, designed to provide enthusiastic undergraduates with real-world experience in their field. Because NEON is an interdisciplinary organization, we accept students from a variety of disciplines (e.g., Engineering, Science, Computing) as well as those with an interest in communicating about environmental issues."

| National Institute of Child Health and Human Development R25 Summer Research Program | "The University of Oregon R25 Summer Research Program (R25 SRP) offers fellowship opportunities for undergraduates to participate in ongoing NICHD funded research in a mentored research program. Research areas include: Biochemistry; Structural Biology and Biophysics; Developmental Biology; Neuroscience; Molecular Biology; Human Physiology; Linguistics; Psychology."

Eugene, OR Site has not been updated for summer 2020  | http://r25srp.uoregon.edu/index.html |
| National Park Service Historic Preservation Internship Training Program  | Working under the direction of experienced historic preservation professionals, students undertake short-term research and administrative projects. Students learn about and contribute to the national historic preservation programs and the federal government’s preservation and management of historic properties. | Varies   | Varies                            | -  | https://www.nps.gov/subjects/youthprograms/jobs-and-internships.htm |
| NORC's Summer Internship Program                                      | "NORC at the University of Chicago is invested in developing the expertise of individuals in social science research – and particularly, fostering NORC’s commitment to excellence, innovation and collegiality among researchers newly entering the profession. The centerpiece of these efforts is the NORC Summer Internship Program, which offers nine-week, paid positions for students pursuing undergraduate and graduate-level studies in statistical and social science fields."

Chicago, IL January 24, 2020 | http://www.norc.org/WorkingAtNORC/Pages/internship-programs.aspx |
| Purdue Summer Research Opportunities Program                           | "It is our aim to encourage talented undergraduate students from social and economic backgrounds that are underrepresented in research careers to pursue graduate education, and to enhance their preparation for graduate study. This program involves intensive research experiences with faculty mentors. Scholars may work in any discipline in which Purdue offers a PhD degree."

West Lafayette, IN Site has not been updated for summer 2020 (previous deadline was March 1, 2019) | https://www.purdue.edu/gradschool/diversity/programs/summer-research-opportunities-program/ |
Rutgers RISE Program

"The Institute for Health, Health Care Policy, and Aging Research offers Project L/EARN, an exciting program designed to increase graduate school enrollment among students from groups that are traditionally under-represented in health-related graduate programs. We invite sophomore and junior students with an interest in health, mental health, or health services research to apply to the Project L/EARN Summer 2014 research training program."

New Brunswick, NJ
